Othello summary pdf grade 12

Stick firmly and move into William Shakespeare's tragedy with this summary 1. In this opening scene, playwright doesn't miss the time to establish Othello's hatred of Othello. You better understand this beautifully written drama by studying the way it defines plot, themes and characters. In Venice, Iago and Roderigo are discussing Othello, the general. Roderigo immediately addresses Iago's stay to Othello: You told me you held him in hatred of your own, he says. Iago complains that instead of hiring him as a lieutenant, Othello hired the inexperienced Michael Cassi. Iago was employed as just an Othello flag. Roderigo replies: I'd rather be his hanger. Iago tells Roderigo that he's going to stay in Othello's job so he can get back at him when the time is right. Throughout this conversation (and the whole scene), Iago and Roderigo refer not to Othello by name, but by their race, which they call Maur or thick lips. The couple conspired to inform Brabantio, Desdemona's father, that his daughter had fled with Othello and married him, and that Othello was unusable, citing his race and impulsiveness. The audience discovers that Roderigo is actually in love with Desdemona, as Brabantio points out that he has already warned him against it. In fair clarity, you heard me say my daughter is not for you. That explains Roderigo's hatred of Othello. Brabantio and Iago say, I'm the gentleman who's coming to tell you that your daughter and the Moor are now making a beast with two backs. Brabantio checks Desdemona's room and finds out she's missing. He begins a full search for his daughter and, sadly, tells Roderigo that he would have loved to be his daughter's husband, not Othello: Oh we would have had her. Iago decided to leave because he doesn't want his master to know that he's cheated on him. Brabantio promises Roderigo that he will be rewarded for helping to find Desdemona. Oh, good Roderigo. I'm going to deserve your pain, he says. Iago tells Othello that Desdemona's father and Roderigo are following him. He lies, too, and tells Othello that he provoked them. No, but he was a prai, and spoke such scurvy and challenging expressions against your honor that I made him full of hard work for him with a little bosh that I had. Othello responds that his honor and service speak to the country for themselves and that Brabantio will convince him that he is a good couple for his daughter. Iago says he loves Desdemona. Cassio and his officers are entering, and Iago is trying to convince Othello that this is his enemy and he needs to hide. But Othello shows the power of character by staying. I have to be found. My parts, my title and my perfect soul will manifest me correctly, he says. Cassio explains that the Duke has to talk to Othello about the Cyprus dispute, and Iago tells Cassio about Othello's marriage. Then Brabantio comes with a sword pulled out. Iago draws his At Roderigo, knowing that they have the same purpose, Roderigo won't kill him, but it fits with the pretense. Brabantio is angry that Othello has run away with his daughter and is using his race again to put him down, saying it's funny to think that she's turned down wealthy and worthy gentlemen to run away with him. She silenced our nation's rich, crooked darlings... He won't have a general grator, run from her guard to the waiting ignorance of things like you, she says. Brabantio also accuses Othello of drugged his daughter. Brabantio wants to put Othello in jail, but Othello says the Duke is demanding his services and will have to speak to him, so they decide to go to the Duke together to decide Othello's fate. Othello starts at night in the city of Venice. Iago, an ensign in the Venetian army, is bitter because he was ousted as a lieutenant in favor of Cassio. Iago tells Roderigo that he serves Othello, Maur, who is an army general, just to serve himself. Iago knows that Desdemona, daughter of the nobleman Brabantio, married Othello. He also knows that Roderigo desires Desdemona, so Iago manipulates him to warn Venice. Iago's ambiguity also appears in the first scene. Cassio finally arrives as Roderigo and Brabantio; Brabantio is very angry and swears that Othello has enchanted his daughter. Brabantio's grief is denied, and Desdemona will indeed stay with Othello. However, Othello is called to Cyprus to defend him against the invasion of the Turks. Cassio asks Bianca to copy the handkerchief he found in his room; Cassio doesn't know it's Desdemona's. The act of IVOthello tries not to condemn Desdemona too harshly. But soon, Iago whips Othello into even greater rage with self-insinuation. Iago calls Cassio in while Othello hides; Iago talks to Cassia from Bia, but Othello, in his disturbed state, thinks Cassio is talking about Desdemona. Convinced of his infidelity, Othello is determined to kill Desdemona, and he accuses Iago of murdering Cassi. When Desdemona mentions Cassie in front of the noble man Lodovic, Othello is very angry and slaps her. Othello asks Emilio about Desdemona's guilt and swears Desdemona is pure and true. Emilia thinks someone manipulated Othello, but Iago is there to recte else that opinion. Iago encounters Roderigo; is not satisfied that Iago has not made an explicit account of his promises regarding Desdemona. Iago silences him by believing that if he kills Cassi, then he will conquer Desdemona; Roderigo decides to agree with him, but Iago is dangerously close to disclosure.
